# GIANT AFRICAN SAFARIS

---

It will be an honor to host you in our beautiful country South Africa in these three provinces, Limpopo Province, North-West Province and Free State Province.

You will fly into Johannesburg OR Tambo International Airport where you will be picked up by Giant African Safaris.

Our Main camp in Limpopo Province is +/- 3 1/2 hour drive, North-West Province Camp +/- 6 1/2 hour drive and the Free State Province Camp is +/- 5 hour drive.

The most practical items to pack for your Safari are:

- Clothes in khaki, green, beige and neutral colors
- Light Long-sleeved shirts that offer protection from the sun
- T-shirts
- Shorts
- Jeans or safari trousers for evenings and cooler days
- Jackets and sweaters for early morning and late afternoon hunting or around the campfire
- A lightweight waterproof jacket in case of rain (not common this time of year)
- Comfortable, already worn-out walking shoes
- Sunscreen, sunglasses, a hat, insect repellent, moisturizer and lip balm

We prefer that you use our rifles, because of less travel issues and paperwork. All our rifles are suppressed for your own and our hearing protection.

We offer site seeing trips after your hunt is concluded.
